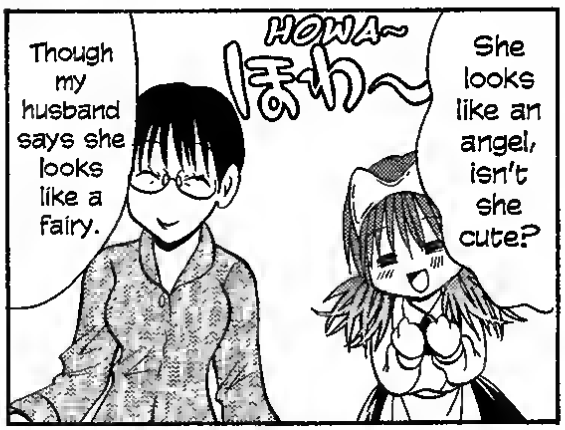
Won't you come in instead of sneaking around?



HOWA~

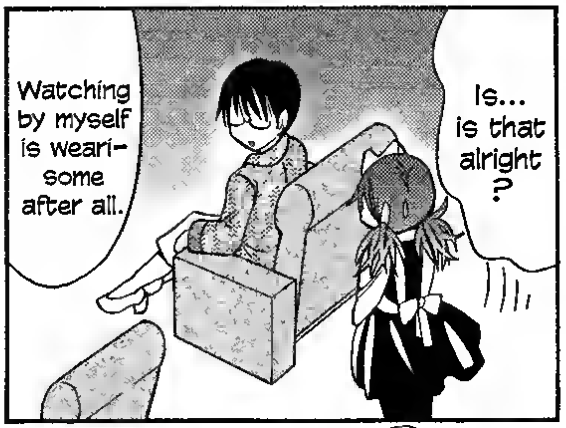
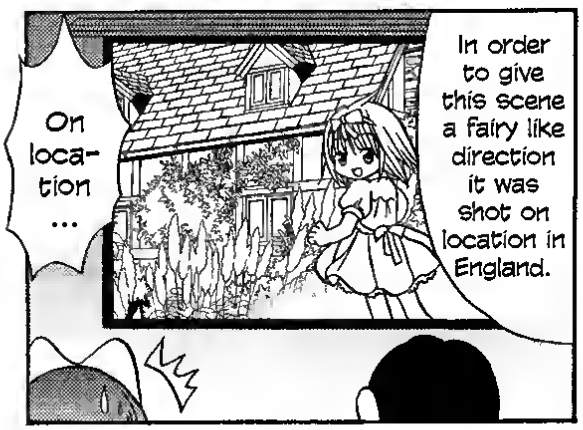
Though my husband says she looks like a fairy.
She looks like an angel, isn't she cute?



Watching by myself is weari- some after all.
Is... is that alright ?



On loca- tion ...
In order to give this scene a fairy like direction it was shot on location in England.

There are records of her growth since birth but

That girl

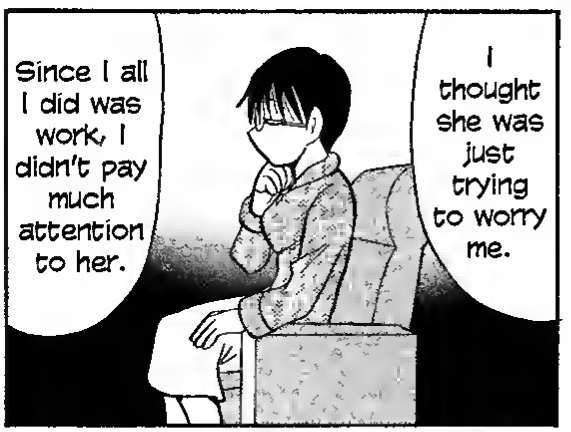
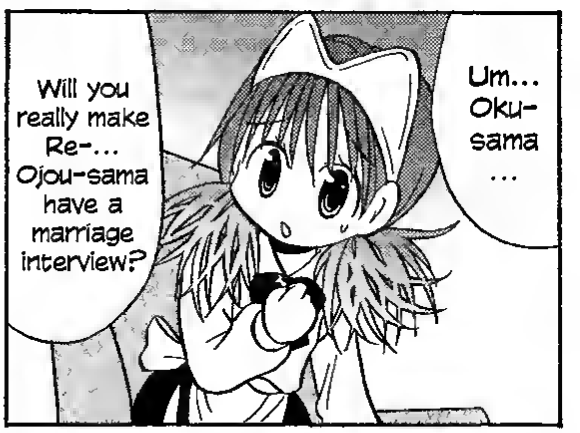
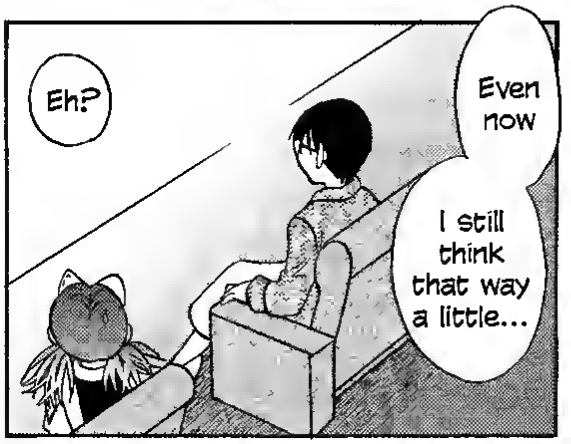
Around that time she was so reasonable and cute.



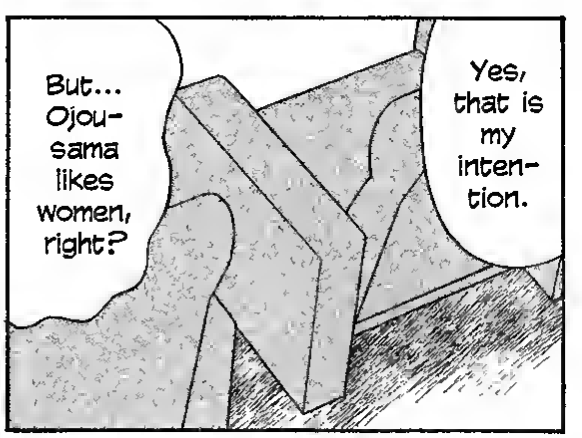
Since I all I did was work, I didn't pay much attention to her.
I thought she was just trying to worry me.



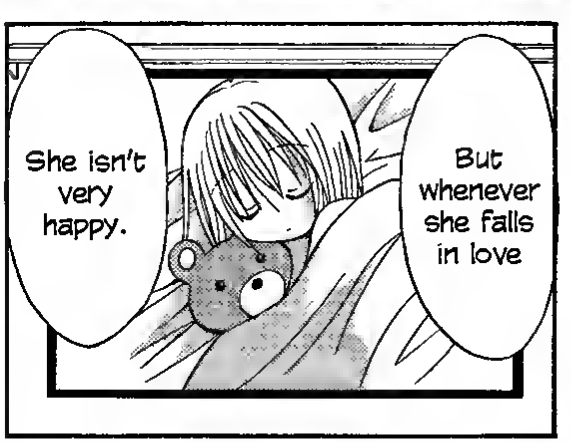
Will you really make Re-... Ojou-sama have a marriage interview?
Um... Oku-sama ...



Eh?
Even now
I still think that way a little...

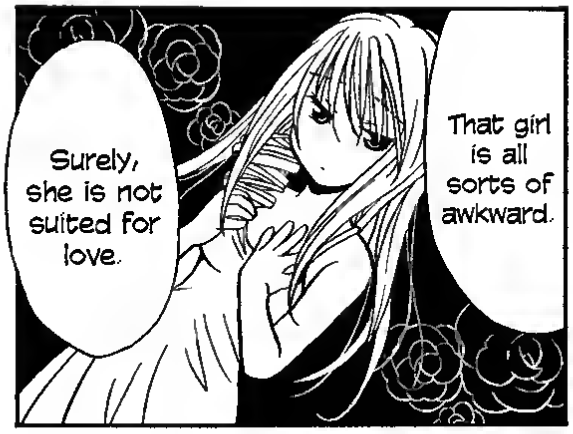


But... Ojou-sama likes women, right?
Yes, that is my intention.

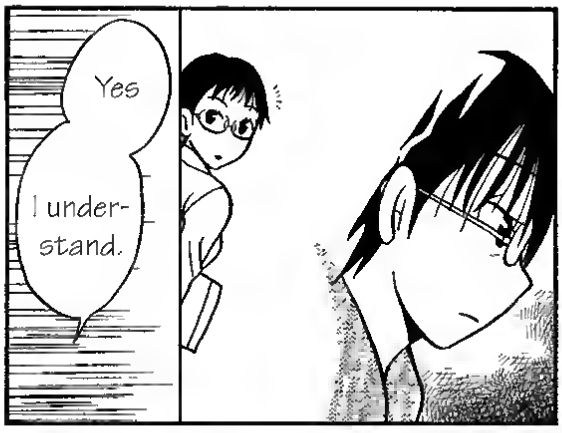


She isn't very happy.
But whenever she falls in love

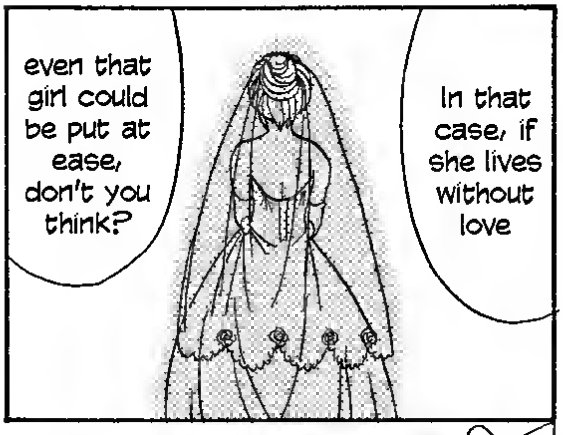
D...don't you feel sorry for her?...
To marry a person she doesn't like...



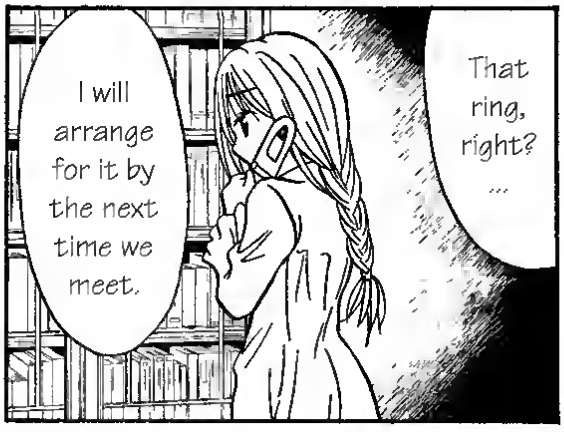
That girl is all sorts of awkward.
Surely, she is not suited for love.



Yes
I under-stand.



In that case, if she lives without love
even that girl could be put at ease, don't you think?



That ring, right? ...
I will arrange for it by the next time we meet.

Th... That sort of thing is-
You lived with Ren for a long while but

Were you

That would be Kenmochi Akiro's heir.

That's enough, I understand.

Well, well, there's no need to have the interview at a hotel especially if there's such a wonderful garden is there!

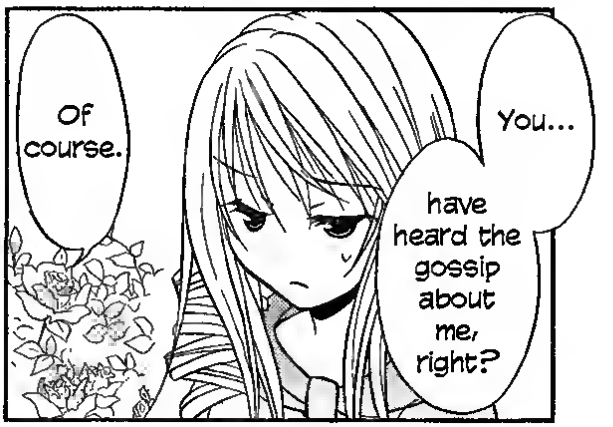
Hmm, when you're born into this kind of household



Of course.
You... have heard the gossip about me, right?

Wow ...
You've arrived safely.
Thank you for having us.
There are many varieties of hydrangea here, aren't there?
It's my father's hobby.
Unfortunately the sky is cloudy but

These are called Annabelle.
Strictly speaking they aren't hydrangea but...

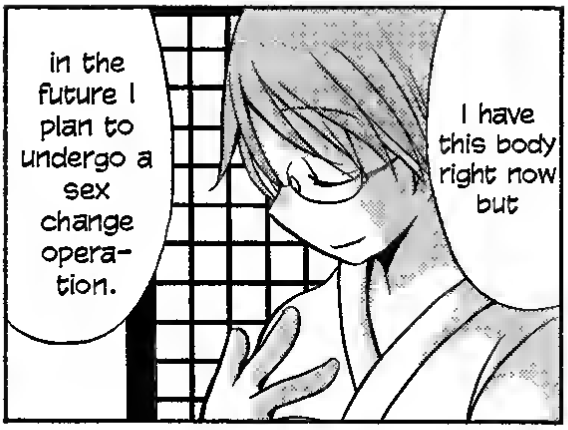
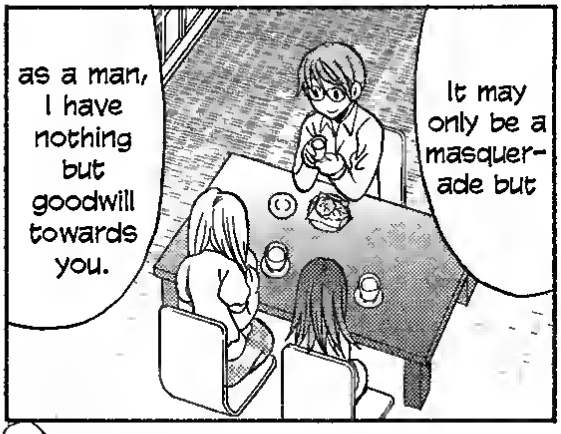
I'm FtM.
My body is female but my heart is male.
Aah, in that case
LIGHT UP
Ken-mochi-sama is
a woman ...
Eh?
if I change the family registery, I can get married.
GASP
But that means
two women can't get married ...

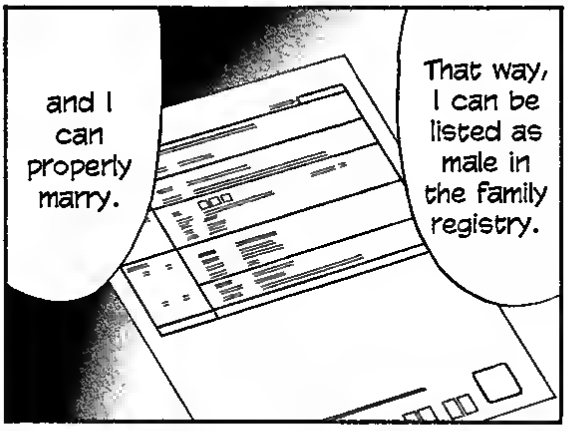
I'll say this often, but this kind of marriage
I don't think it's necessarily a bad thing



I have this body right now but
in the future I plan to undergo a sex change operation.



It may only be a masquerade but
as a man, I have nothing but goodwill towards you.



That way, I can be listed as male in the family registry.
and I can properly marry.

It would make me happy if you wouldn't hate me, either.

The reason you're fussing so much over marriage is …

Except we figured it out pretty quickly.
You're surprisingly careless.

I can't accept that goodwill.
I don't hate you but...

It's a complex feeling ...
Hmmm, I'm happy but I'm sad.

In that case
I don't care for this appearance but...

That old Osamu Tezuka manga ...?
Do you know the Princess Knight?
Occasionally I absolutely must take on a womanly appearance ...
Ken-mochi-sama, that appear-ance ...
The protagonist, Sapphire, has both a man's and a woman's heart.

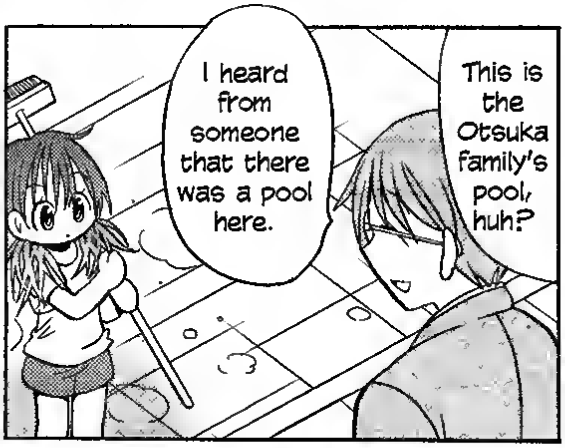
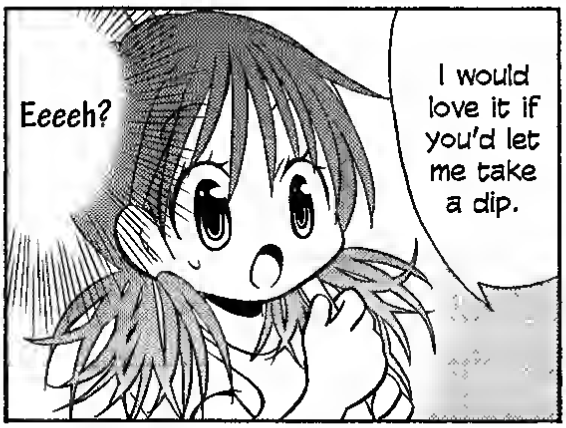
He should be keeping people from finding out as much as possible ...

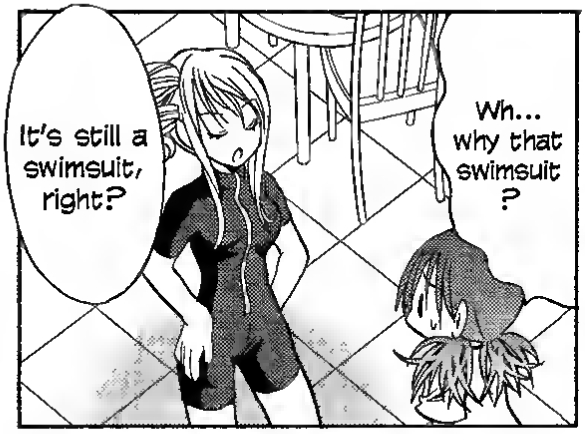


I heard from someone that there was a pool here.
This is the Otsuka family's pool, huh?

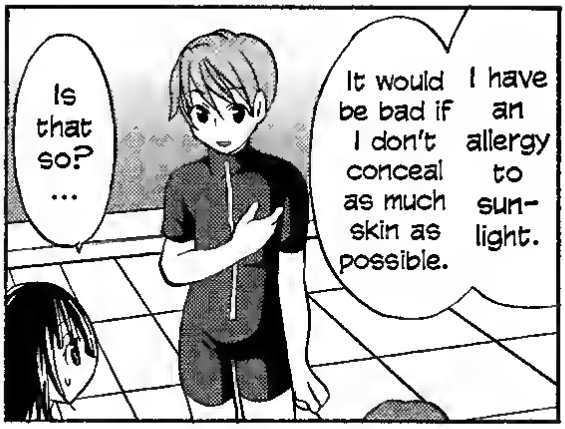
BAM



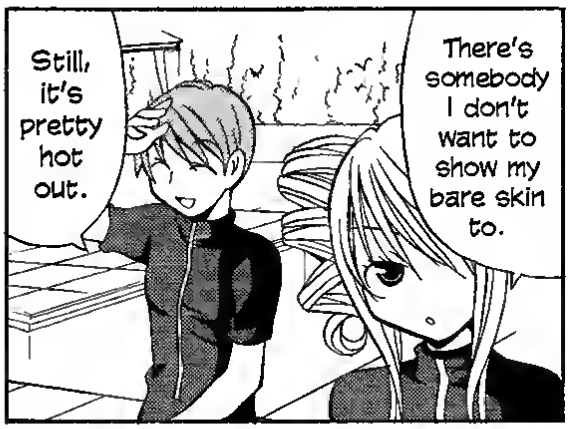
Eeeeh?
I would love it if you'd let me take a dip.



It's still a swimsuit, right?
Wh... why that swimsuit ?



Is that so? ...
It would be bad if I don't conceal as much skin as possible.
I have an allergy to sun-light.



Still, it's pretty hot out.
There's somebody I don't want to show my bare skin to.

There's probably been countless times he's had to enter the pool with others.
That's a good excuse ...

It seems he went to the restroom.

That's right...

Sometimes the side effects make me feel bad ...
I periodically take male hormone injec-tions.

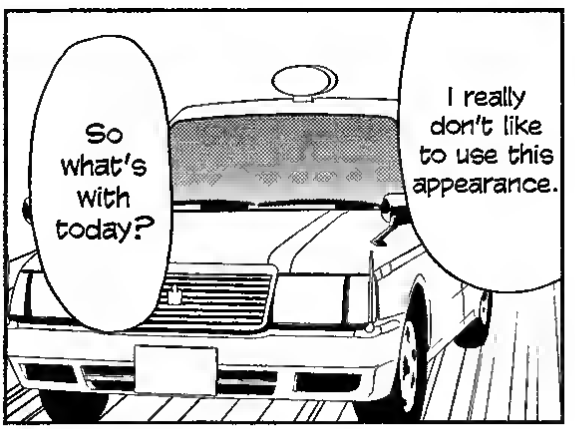
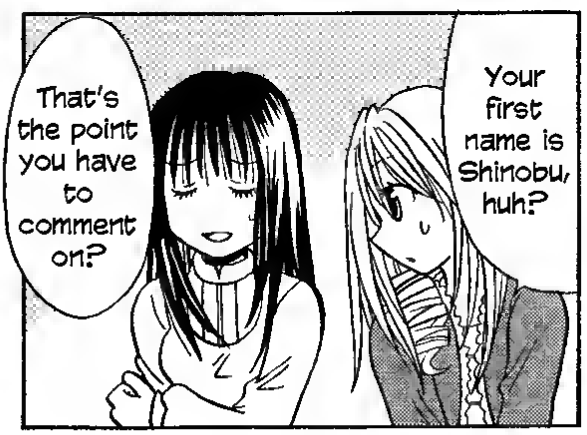
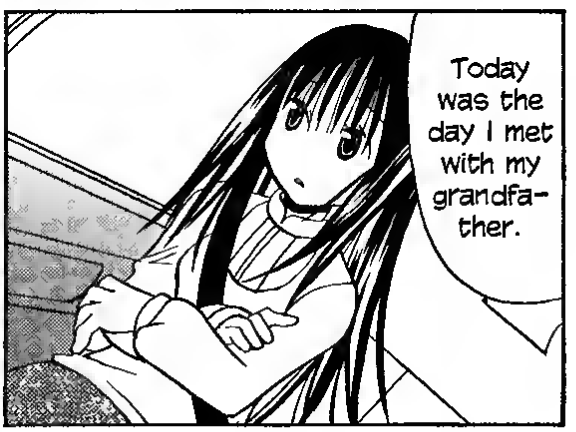
It's because your education is terrible



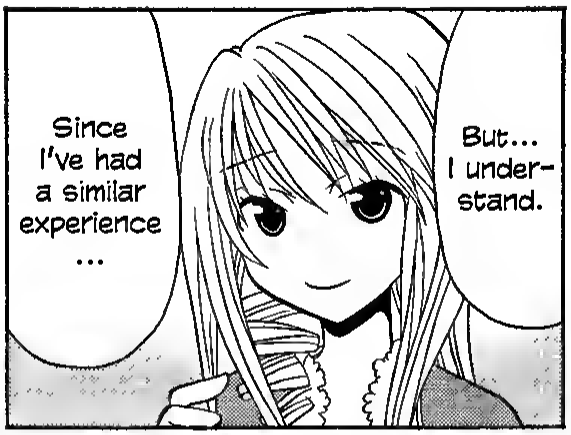
So what's with today?
I really don't like to use this appearance.



That's the point you have to comment on?
Your first name is Shinobu, huh?



Today was the day I met with my grandfather.



Since I've had a similar experience ...

It can't be helped that I have to look like this in front of him.

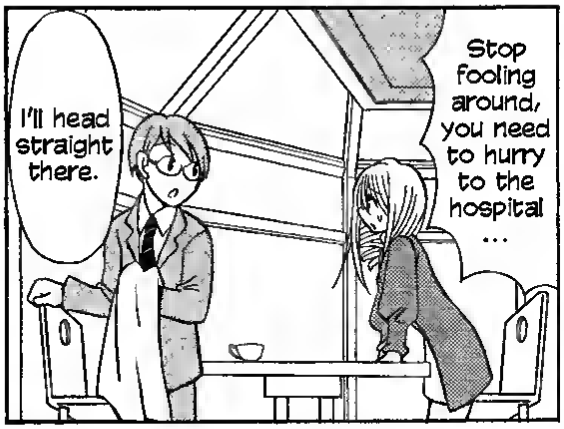
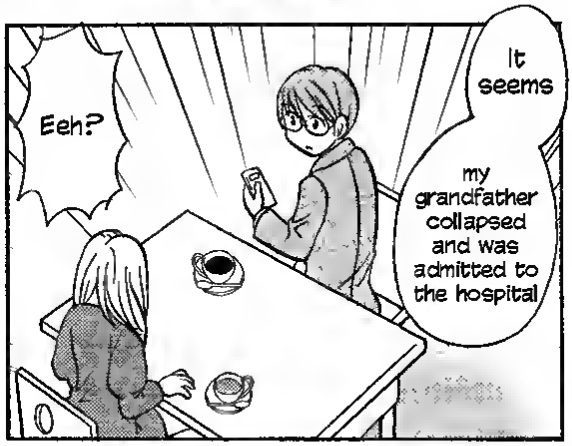
FOR SOME TIME NOW
I'VE BEEN AVOIDING NAKO...
We get engaged!?
Yes, well ...
Ren-san, you don't look well.
...I DON'T HAVE THE ENERGY TO PLAY THE STRAIGHT MAN...
Oh, what a weak reaction.
Isn't it about time
In that case, I have one thing to distract you.



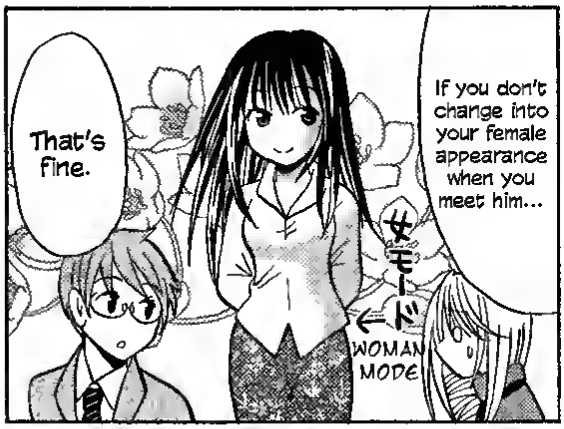
I'll head straight there.
Stop fooling around, you need to hurry to the hospital ...

Excuse me a moment.
Yes
Yes
RING RING

Ah, but
Your grandfather
is against you becoming a man...



Eeh?
It seems
my grandfather collapsed and was admitted to the hospital



That's fine.

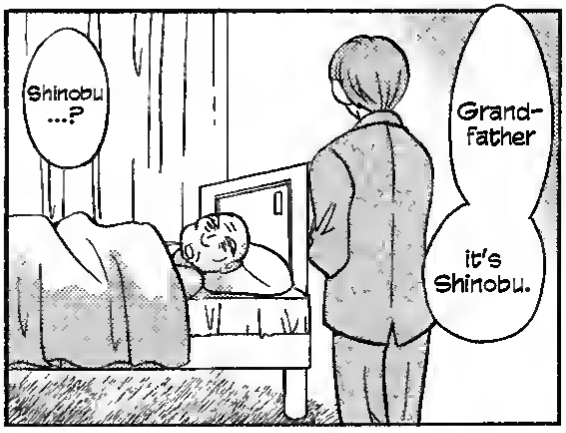
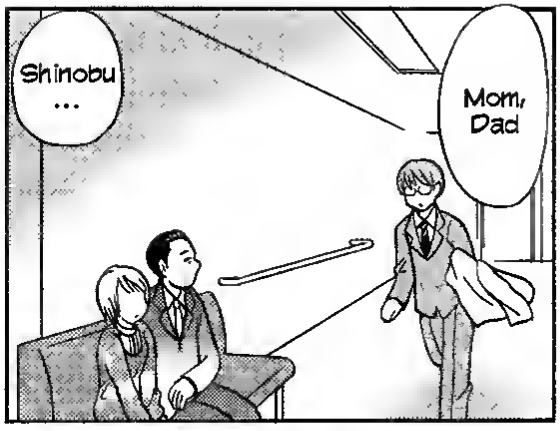
Why would you come to that conclusion!?

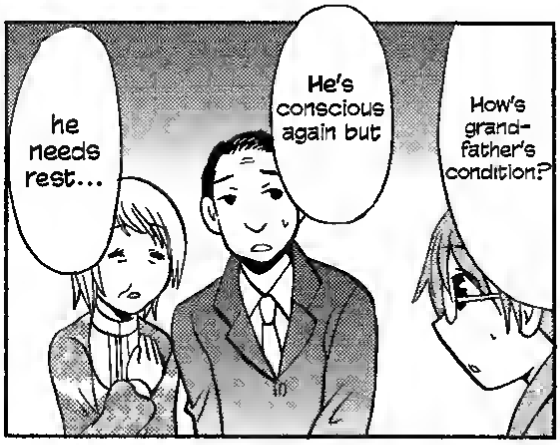


Shinobu ...?
Grand-father
it's Shinobu.



Shinobu ...
Mom, Dad

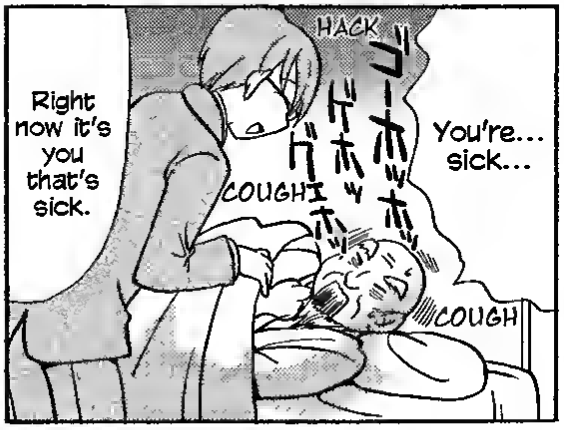
Are you still pretending to be a man?...
What's with that getup?



he needs rest...
He's conscious again but
How's grand-father's condition?

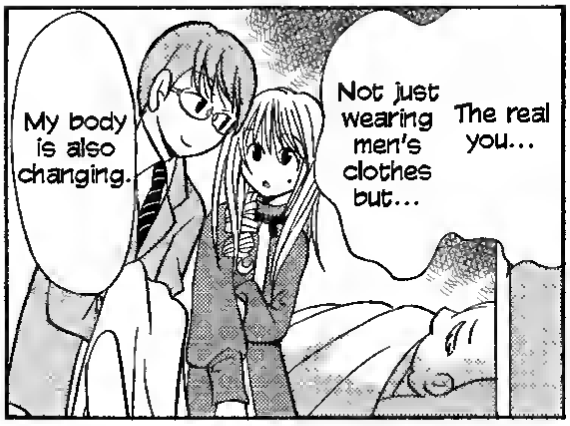
Because I am a man.
I'm not pretending.

If he sees your appearance now, his condition will worsen.
Shinobu, go home without seeing your grand-father

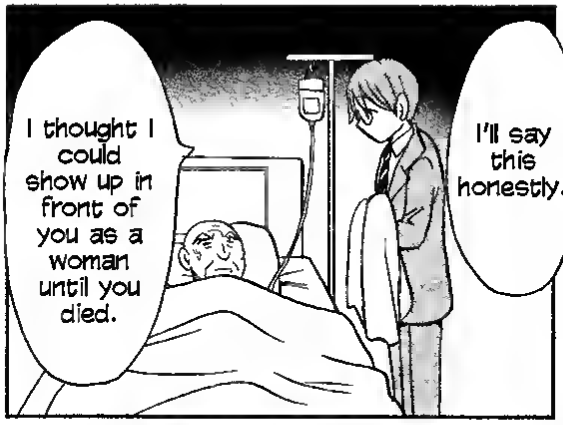


Right now it's you that's sick.
HACK
COUGH
You're... sick...
COUGH

Blood lust? Is this blood lust?
No
I'll see him.

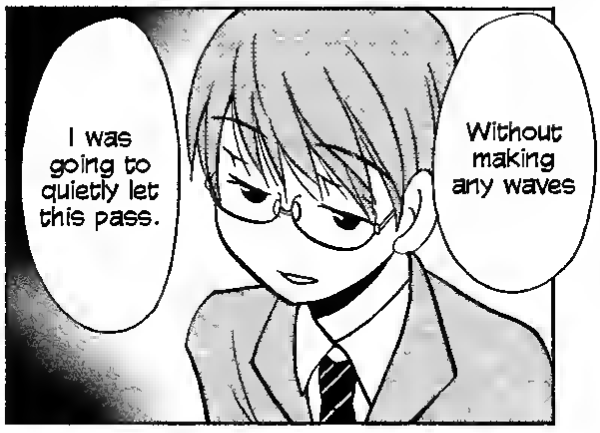


My body is also changing.
Not just wearing men's clothes but...
The real you...



I thought I could show up in front of you as a woman until you died.
I'll say this honestly.

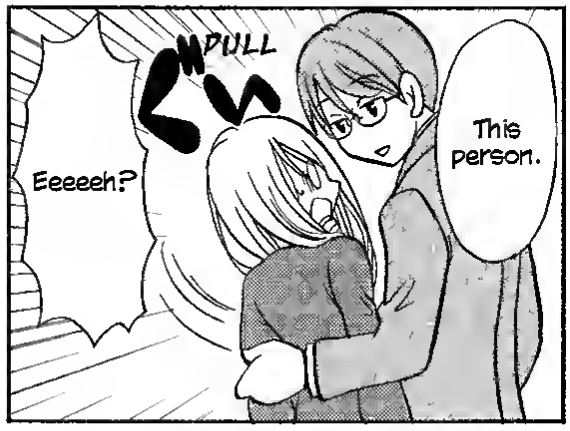
And also change the family register so I'm male.
I'll undergo a sex change operation.



I was going to quietly let this pass.
Without making any waves

Woman you love?
Also, I'm marrying the woman I love.

But you know
I changed my mind.
Shinobu ...



PULL
Eeeeeh?

Afterword

Thank you for reading the final volume of Poor Poor Lips. I'm glad I could successfully draw it until the end.
As for how I started drawing Poor Poor, I had previously drawn the more adult focused yuri science fiction story Love Tamborine, and I wanted to try for the same mood in a four panel comic.
Of course when I started writing, it became a completely different story. Somehow or another it became a story about Ren-san's salvation. Later I thought "because it's mutual love I want it to become really flirty until the very end!" and gave it an earlier confession, but I wasn't able to get as much flirting as I wanted...
To be asked to freely draw as much as I did was a very happy time for me. From morning to night my editor over did it checking up on me though... Tehehe.

To my editor that kindly allowed my uncontrollable behavior, my assistant Ashi-san, the artist that designed the beautiful covers, and to all of my readers

Really, thank you very much!
